

# Skokie School District 73½

Oliver McCracken Middle School • John Middleton Elementary School • Elizabeth Meyer School

Kate Donegan  
Superintendent

August 2009

Dear Parents and Guardians,

The H1N1 virus continues to be a concern. The Center for Disease Control (CDC) has new guidelines regarding the H1N1 Flu. District Administrators and School Nurses recently attended a meeting with the Skokie Health Department at the Skokie Village Hall. The Skokie Health Department has been working diligently to prepare for the opening of school and the expected flu season. The attached letter was written in cooperation with the Skokie Health Department. We rely on their advice and follow their guidelines. Please read the enclosed letter carefully and if you have any questions contact the nurse or principal at your child's school.

We have two new nurses in our school district, Lori Smith (Middleton), and Mary Beth Yarashefski (Meyer). Mary Madigan is the school nurse at McCracken and Connie Doyle is the Health Clerk at Meyer.

Below is the contact information for the District schools' nurses:

Oliver McCracken Middle School	Mary Madigan R.N.	847.676.8235
John Middleton Elementary School	Lori Smith R.N., C.S.N.	847.676.8020
Elizabeth Meyer School	Mary Beth Yarashefski R.N.	847.676.8360
	Connie Doyle, Health Clerk	847.676.8360

Sincerely,

Kate Donegan  
Superintendent
