

INSTRUCTION

6:60 Curriculum Content

The curriculum shall contain instruction on subjects required by State statute or regulation as follows:

1. In each grade, subjects include: (a) language arts, (b) reading, (c) other communication skills, (d) science, (e) mathematics, (f) social studies, (g) art, (h) music, and (i) drug and substance abuse prevention including the dangers of opioid abuse. A reading opportunity of 60 minutes per day will be promoted for all students in kindergarten through grade 3 whose reading levels are one grade level or more lower than their current grade level. Daily time of at least 30 minutes (with a minimum of at least 15 consecutive minutes if divided) will be provided for supervised, unstructured, child-directed play for all students in kindergarten through grade 5. Before the completion of grade 5, students will be offered at least one unit of cursive instruction. In grades 6, 7, or 8, students must receive at least one semester of civics education in accordance with Illinois Learning Standards for social science.
2. In grades 7 and 8, as well as in interscholastic athletic programs, steroid abuse prevention must be taught.
3. In kindergarten through grade 8, provided it can be funded by private grants or the federal government, violence prevention and conflict resolution must be stressed, including: (a) causes of conflict, (b) consequences of violent behavior, (c) non-violent resolution, and (d) relationships between drugs, alcohol, and violence.
4. In grades kindergarten through 8, age-appropriate Internet safety must be taught, the scope of which shall be determined by the Superintendent or designee. The curriculum must incorporate policy 6:235, *Access to Electronic Networks* and, at a minimum, include: (a) education about appropriate online behavior, (b) interacting with other individuals on social networking websites and in chat rooms, and (c) cyberbullying awareness and response.
5. In all grades, students must receive developmentally appropriate opportunities to gain computer literacy skills that are embedded in the curriculum.
6. In all grades, character education must be taught including respect, responsibility, fairness, caring, trustworthiness, and citizenship in order to raise students' honesty, kindness, justice, discipline, respect for others, and moral courage. Instruction in all grades will include educating students about behaviors that violate policy 7:180, *Prevention of and Response to Bullying, Intimidation, and Harassment*.
7. In all schools, citizenship values must be taught, including: (a) the concept of American patriotism, (b) principles of representative government (the American Declaration of Independence, the Constitution of the United States of America and the Constitution of the State of Illinois), (c) proper use and display of the American flag, (d) the Pledge of Allegiance, and (e) the voting process.
8. In all grades, physical education must be taught including a developmentally planned and sequential curriculum that fosters the development of movement skills, enhances health-related fitness, increases students' knowledge, offers direct opportunities to learn how to work cooperatively in a group setting, and encourages healthy habits and attitudes for a healthy lifestyle. Unless otherwise exempted, all students are required to engage in a physical education course with such frequency as determined by the Board after recommendation from the Superintendent, but at a minimum of three days per five-day week. For exemptions and substitutions, see policy 7:260, *Exemption from Physical Education*.
9. In all schools, health education must be stressed, including: (a) proper nutrition, (b) physical fitness, (c) components necessary to develop a sound mind in a healthy body, (d) dangers and avoidance of abduction, and (e) age-appropriate and evidence-informed sexual abuse and

assault awareness and prevention education in all grades. The Superintendent shall implement a comprehensive health education program in accordance with State law.

10. In all schools, career/vocational education must be taught. A career awareness and exploration program must be available at all grade levels.
11. In all schools, conservation of natural resources must be taught, including: (a) home ecology, (b) endangered species, (c) threats to the environment, and the impact of climate change (d) the importance of the environment to life as we know it.
12. In all schools, United States (U.S.) history must be taught, including: (a) the principles of representative government, (b) the Constitutions of the U.S. and Illinois, (c) the role of the U.S. in world affairs, (d) the role of labor unions, (e) the role and contributions of various ethnic groups (f) a study of the roles and contributions of lesbian, gay, bisexual, and transgender (LGBTQIA+) people in the history of the U.S. and Illinois, (g) Illinois history, and (h) the contributions made to society by Americans of different faith practices that have shaped America.

In addition, all schools shall hold an educational program on the United States Constitution on Constitution Day, each September 17, commemorating the September 17, 1787 signing of the Constitution. However, when September 17 falls on a Saturday, Sunday, or holiday, Constitution Day shall be held during the preceding or following week.

13. In grade 7 and all high school courses concerning U.S. history or a combination of U.S. history and American government, students must view a Congressional Medal of Honor film made by the Congressional Medal of Honor Foundation, provided there is no cost for the film.
14. In all schools, the curriculum includes instruction as determined by the Superintendent or designee on the Holocaust and crimes of genocide, including Nazi atrocities of 1933-1945, Armenian Genocide, the Famine-Genocide in Ukraine, and more recent atrocities in Cambodia, Bosnia, Rwanda, and Sudan.
15. In all schools, the curriculum includes instruction as determined by the Superintendent or designee on the history, struggles, and contributions of women.
16. In all schools, the curriculum includes instruction as determined by the Superintendent or designee on Black History. Students will understand the impact of Africa and its people on global history. They will also understand the impact of the European/American enslavement of Africans, including the traumatic impact of enslavement on Black Africans and Black Americans and the resilience and resistance of enslaved Africans and African Americans. Because enslavement was not the only experience of Black Americans, students will also learn about the development of Free Black cultural, political, religious, and economic institutions for mutual benefit and aid. Students will also understand the central role of Black Americans in movements for liberation - including the Abolitionist movement, movements for full citizenship rights during Reconstruction, the Civil Rights Movement, and the Movement for Black Lives. Students will also understand the impact of Black excellence and joy, including contributions of Black Americans to cultural fields like literature, music, dance, theater, art, and many more.
17. In all schools, instruction during courses as determined by the Superintendent or designee on disability history, awareness, and the disability rights movement.
18. Beginning in the fall of 2022, in all schools, instruction as determined by the Superintendent or designee on the events of Asian American history, including the history of Asian Americans in Illinois and the Midwest, as well as the contributions of Asian Americans toward advancing civil rights from the 19th century onward, which must include the contributions made by individual Asian Americans in government and the arts, humanities, and sciences, as well as the contributions of Asian American communities to the economic, cultural, social, and political development of the United States.
19. In kindergarten through grade 8, education must be available to students concerning effective

methods of preventing and avoiding traffic injuries related to walking and bicycling.
