Classroom Donation Drive 2024

February 14th – March 15th

- ♥ The **Caring Hearts Classroom Donation Drive 2024** is here to help our wonderful District 73.5 teachers and staff! This is the time of year where District 73.5 families and friends can show their appreciation by donating classroom supplies, special items and educational tools.
- ♥ Click the links below to see the “wish” lists from teachers and staff. The lists have the items that can be donated to the classroom (books, games, markers, bins, etc.) or you may choose to give a gift card from Target or Amazon that will be used to purchase classroom items. Middleton School will also have teacher specific wish slips posted in the school lobby during Parent/Teacher Conferences.
 - [MEYER wish lists](#)
 - [MIDDLETON wish lists](#)
 - [McCRACKEN wish lists](#)
- ♥ Once you purchase an item from a “wish” list, your student can return the donation directly back to their teacher or the school office. Please place a note on the item with the teacher or staff’s name. You can sign who it’s from or leave blank.
- ♥ Instead of purchasing an item, you can make a check donation payable to: **Caring Hearts Classroom Grants**. All check donations will be donated to the Caring Hearts Grants General fund which provides the schools with cash grants. Checks can be dropped off at the school offices.

If you have any questions you can contact your school office
or email us at caringheartsgrants@gmail.com

Thank you for your generosity!

The Caring Hearts Classroom Grants Board
