## What are Google Career Certificates?

These are professional Certificates that can train you for **High demand jobs in the technology industry**

- Each certificate can be completed in **under 6 months** with approximately **5-10 hrs of course work per week**
- **Courses are self paced online modules**--a mix of hands-on labs and other interactive assessments.
- Study on your own time.
- Receive an industry recognized career certification upon completion
- No previous experience or college degrees required.

**You can complete any of the Google Career Certificates for FREE!! through a scholarship from the ELL Parent Center**

**\*\*Regular cost of courses ranges from \$250 - \$450**
