

NORTH SUBURBAN CREW

WE ARE THE NORTHSORE NAVY!

Join Us Winter/Spring 2024!

NSC is a competitive women's rowing team recruiting primarily from the north suburbs of Chicago. Athletes from different schools unite to form a single team who race against teams across the country. Rowing is the fastest growing women's collegiate sport with the second most scholarships available - football being first.

We accept all girls/women in 8th grade up to seniors in High School. All new rowers start as novice and compete against other new novice rowers with the same level of experience so previous rowing experience is not required. Come to our Information Session.

Information Session
Thursday, January 11, 2024
7:00pm
Dammrich Rowing Center
3220 Oakton St, Skokie, IL 60076
