

Multilingual Middle School Library Project

Educators at McCracken Middle School are on a mission **to strengthen the multilingual collection of books** at middle schools in our area.

We are inviting like-minded community members **who speak multiple languages** to partner with us.

Learn more about this initiative and ways to get involved at our **Open House**. We'd love to connect with you!

Monday, February 26th 6-8 pm
at Skokie Public Library
in the Business & Community Center

(light refreshments will be served)

visit our website

This project is made possible by generous grants from the Skokie Community Foundation and the Education Foundation.
